

# EUROPE AT WAR:

# PAST & FUTURE.

**PANZER STRIKE!**™ takes you back to World War II where you fight armored battles of the highest detail. SSI has ever offered: each unit represents either one tank or a squad of infantry. No wargamer worth his salt can pass up this game!

**ROADWAR EUROPA**™ conjures up a 21st-century Europe held hostage by maniacal terrorists. They have already destroyed one city with a nuclear bomb and threaten to detonate five more across the continent. Your job — stop them!

## NEW GAMES

In the 21st century, Europe suffered the same bio-war that devastated America, a holocaust that established the deadly scenario for SSI's exciting ROADWAR 2000™.

APPLE (New)  
C-64/128 (New)  
AMIGA (New)  
IBM (Nov.)  
ATARI ST (New)  
Introductory.

Your mission is twofold: one, locate and disarm the five hidden bombs; two, pinpoint the enemy's headquarters and destroy the terrorist leaders.

As you ride the highways, you'll battle mutants, cannibals, and rival road gangs. You can let the computer resolve combat quickly, or choose to personally direct the fighting in great tactical detail. Order your men to fire with guns or crossbows, ram or board enemy vehicles.

By fighting for new recruits, vehicles, supplies, ammunition and medicine, you'll maximize your chances for survival. You'll also prepare for the final roadwar whose outcome will determine the future of all Europe! By Jeff Johnson.

Until April 6, 1862, General Grant's ascendancy in the Union Army had been relatively uneventful. But on the dawn of that fateful Sunday, he found the 45,000 men under his command pressed against the Tennessee River at Pittsburg Landing, caught in a surprise attack by Confederate General Johnston and his Army of the Mississippi.

Thus began the Battle of Shiloh, two murderous days that would be Grant's first real trial by fire.

SHILOH: Grant's Trial in the West™ contains three games — Introductory, Intermediate, and Advanced — that are designed to challenge wargaming fans of all levels.

It uses an improved version of the critically acclaimed game system first seen in SSI's GETTYSBURG: The Turning Point™. The Battle of Shiloh is faithfully re-created in 15 turns. All brigades historically present at the battle are included, as are the Federal gunboats Lexington and Tyler. The 30x30 square-grid battlefield accurately reflects the terrain around Shiloh.

A significant refinement is the ability to switch between a strategic and tactical display anytime during play. Another is the inclusion of special morale rules for "green," untried troops.

The Battle of Shiloh could just as easily have been a Union defeat or victory. Now, you determine the outcome. By David Landrey and Chuck Kroegel.

APPLE (New)  
C-64/128 (New)  
IBM (New)  
ATARI (Oct.)  
Contains  
Introductory,  
Intermediate and  
Advanced Games.

## NEW GAMES

PANZER STRIKE!™ boasts the highest resolution of any of our World War II titles. Each unit symbol represents either one tank/gun or a squad of infantry; each square of the 60x60 map, 50 yards. The action is so detailed, you'll feel like you're caught in the middle of the blitzkrieg of the German Army in all its major campaigns.

64K APPLE (Dec.)  
C-64/128 (Jan.)  
Advanced.

into front and side of hull, front and side of turret, and top.

In PANZER STRIKE!, you can simulate single battles or an entire campaign. The former lets you play against another player or the computer. If you wish to depart from the historical setups already provided, you can create your own by buying your forces, drawing new maps and establishing different missions.

The campaign scenario pits you against the computer. It creates the maps and determines the type of battles: assaults, pursuits or meeting engagements. The ultimate objective of the campaign game is to fight — and win — as many battles as possible before the war ends. By Gary Gringsby.

Note: APPLE disk is 64K.

SONS OF LIBERTY™ marks SSI's foray into the Revolutionary War. Three epic battles make up this game, each increasing in complexity and scale. And each battle can be fought under Introductory, Intermediate or Advanced rules. In solitaire play, the computer can direct either or both sides.

The Battle of Bunker Hill serves as an easy way to step into the game. This critical engagement was a small affair, involving only a few thousand men and a tiny patch of ground.

The Battle of Saratoga is regarded as the turning point of the Revolution. This major British defeat convinced France that it was an opportune time to declare war on England, forcing her to fight on two fronts.

This more complex scenario challenges you to repeat the historical outcome. The Battle of Monmouth — the largest of the three — pitted George Washington's winter-hardened veterans against the British in what proved to be an undecisive battle. What the battle did show was Washington's leadership, an admirable ability to keep his army together and its morale up against the adversities of weather and war. Can you do as well?

Fight the war that gave America her independence and Constitution, a war that changed the history of the world. By David Landrey and Chuck Kroegel. Note: APPLE disk is 64K.

64K APPLE (Dec.)  
C-64/128 (Dec.)  
ATARI (Jan.)  
IBM (Jan.)  
Contains  
Introductory,  
Intermediate and  
Advanced Games.

## NEW CONVERSIONS

B-24™ is a flight/combat emulator that challenges you to fly 19 dangerous bombing raids over the Axis' oil refineries at Ploesti, Rumania. You command the lead B-24

Liberator, which will determine the course of action for an entire formation of forty B-24s. First, strategy takes off, flying in formation against flak and enemy fighters, bombing targets and landing. Once you're ready, it's time to bomb Ploesti and reduce its total oil production below what was accomplished historically. If you succeed, you'll be told how much you would have shortened the war in Europe! By John Gray. Includes graphics routines from The Graphics Magician™ by Polarware™  
**Note: APPLE disk is 64K.**

**NEW IBM, APPLE, ST**  
**APPLE (Now), IBM (Now), ATARI ST (Now),**  
 Also C-64/128,  
 Introductory.

Armored warfare of the 1990's. What will it be like when modern war machines — sleek, turbine-propelled, missile-armed, laser-guided — clash on the battlefield? The answer can be found in MECH BRIGADE™. We've compiled the combat ratings for practically every weapon type found in the arsenals of the U.S., West Germany, England, and the Warsaw Pact. Using a modified version of the popular KAMPFRUPE™ combat system, hit probabilities for every weapon are calculated instantly. Combat is resolved down to individual tanks, guns and soldiers. Four scenarios are provided, each in a different area of West Germany. You can also create your own with the Random Setup. During solitaire, the computer can direct either side.  
 By Gary Grigsby.

**IBM (Now)**  
 Also Apple, Atari,  
 C-64/128,  
 Advanced.

**NEW IBM!**

Who's going to win the wide-open presidential race in 1988? Don't wait for the pundits and pollsters to predict the outcome. Play PRESIDENT ELECT™ 1988 Edition and predict it yourself — right now. This fun, fast and realistic simulation of the electoral process makes a perfect gift for armchair politicians of all ages — from the seasoned campaign follower to the youngster just learning about America's democratic structure. Most current and potential candidates come rated for their socio-economic views, foreign policy positions and charisma. You are free to change these ratings. On the campaign trail, you do all the things a good candidate must do: make campaign stops, advertise, debate. If you predict the correct winner with this game, you'll have a chance to win up to \$1988 in our President Elect Contest. See details in game box or contact: SSI, By Nelson Hernandez, St.

**ATARI ST (Only)**  
 Also Apple, IBM,  
 C-64/128,  
 Introductory.

**NEW ST!**

Following in the footsteps of PHANTASIE™, one of SSI's most successful and popular games is PHANTASIE II™. The Dark Lord Nikademus has cast a curse on a beautiful island and its people. Your mission is to remove the curse and save the island — no easy task since you have little to go on. All you know is that the curse is embodied in an evil orb. To find this orb, you can enlist the help of one to six characters (the same ones you used in Phantasie, or start anew with different ones). With this motley crew, you'll map out new terrain, explore dungeons, solve puzzles, learn spells, gain experience, and battle countless monsters. With all these magical distractions and obstructions, don't forget your primary goal: Locate the orb and find a way to destroy it! By Doug Wood.

**ATARI (Only)**  
 Also Apple, ST,  
 C-64/128,  
 Introductory.

**NEW ATARI!**

## SSI CLASSICS

In their prime, the following games were recognized as some of our best titles. We are now offering them at a special low price of \$14.95. If you are searching for unbeatable values in computer gaming, look no further than SSI Classics!

Gossen & Kevin Pickell.

By Peter Lount, Trauba

Create and manage any team you like in this superb strategy simulation of America's national sport! **APPLE, ATARI,** C-64/128, **IBM, MAC,** Introductory.

By Charles Mellow & Jack Avery.

By Charles Mellow & Jack Avery.

Direct some infamous characters of the Wild West such as Billy the Kid and Wyatt Earp in the greatest gun-fights ever seen on a screen! **APPLE, ATARI,** C-64/128, Introductory.

For a complete list of our games broken down by computer format, please see pages 13 and 14. You'll also find prices and ratings for playability, realism and excitement derived from our customer response cards.

quicker to understand. They can serve as the perfect stepping stones to Advanced games. However, they are challenging and intriguing in their own right.

For a complete list of our games broken down by computer format, please see pages 13 and 14. You'll also find prices and ratings for playability, realism and excitement derived from our customer response cards.

## FANTASY

**"Family Computing" 1986 Best Role-Playing Adventure Game of the Year.** Guide 8 adventurers in search of the lost Wizard's Crown.

**APPLE ATARI, IBM, C-64/128, ST.**  
Intermediate.  
By Paul Murray & Keith Bros.

Embark on a treacherous journey to regain the Shard of Spring, an enchanted stone that bestows eternal springtime.  
**Note: Apple disk is 64K.**

**APPLE, C-64/128, IBM.**  
Introductory.  
By Craig Roth & David Stark.

Reunite the two RINGS OF ZILFIN™ and gain ultimate power. Includes graphics routines from The Graphics Magician™ by Polarware™.

**APPLE, C-64/128, IBM, ST.**  
Introductory.  
By Ali N. Atabek.

Guide up to eight adventurers on seven different quests. Includes Graphics Magician™ by Polarware™.

**APPLE, C-64/128.**  
Intermediate.  
By Gary Smith & Duong Nghien.

## FANTASY AND SCIENCE FICTION

**"Family Computing" 1985 Best Role-Playing Adventure Game of the Year.** Search for the Nine Rings to help you battle the Dark Lord's evil minions.

**APPLE, C-64/128, IBM, ST, AMIGA.**  
Introductory.  
By Jeff Johnson.

Your band of eight must search for the enchanted Eternal Dagger to close the Demon Portal before the Undead can overwhelm Middle World.

**APPLE, ATARI, C-64/128.**  
Intermediate.  
By Paul Murray.

In this sequel to GEMSTONE WARRIOR™, you must return to the Netherworld and find the tools to heal the fragmented Gemstone. **Note: Apple disk is 64K.**

**APPLE, C-64/128.**  
Introductory.  
By Peter Laurit, Trouba Gossen & Kevin Pickell.

**APPLE, C-64/128, AMIGA, IBM, ST.**  
Introductory.  
By Jeff Johnson.

21st-century Europe is held hostage by maniacal terrorists. You must stop them from detonating five nuclear bombs.

**APPLE, ATARI, C-64/128.**  
Advanced.  
By Paul Murray.

Just as Julius Caesar once forged the Roman Empire, you now struggle to control the stars and create the Imperium Galactum.

**APPLE, C-64/128, ST, AMIGA.**  
Introductory.  
By Doug Wood.

More than a sequel to PHANTASIE I and II, this is the final confrontation between your band of 6 heroes and the Dark Lord Nikademus.

# WARGAMES

Three exciting scenarios of land/sea/air battles between the U.S. and Japan, including a hypothetical Japanese campaign to attack Australia.

**APPLE, C-64/128.**  
Advanced.  
By Gary Grigsby.

Two complete games in one: Fight the naval battles of both World War I and World War II in incredible detail and realism.

**APPLE, ATARI.**  
C-64/128.  
Advanced.  
By Gary Grigsby.

Choose from 79 classes of warships from the Allied & Japanese fleets in this comprehensive simulation of surface naval warfare from 1941-45.

**APPLE, ATARI.**  
C-64/128.  
Advanced.  
By Gary Grigsby.

A simulation of truly monumental scale, so detailed every division in the entire 1941-44 Russian campaign is accounted for! A wargaming milestone!

**APPLE, ATARI.**  
Advanced.  
By Gary Grigsby.

**APPLE, C-64/128.**  
Advanced.  
By Gary Grigsby.

Engage in highly detailed tank-to-tank and squad-to-squad combat on the Eastern Front, France 1940 and North Africa.

**APPLE, ATARI.**  
C-64/128, MAC.  
Advanced.  
By Ed Williger & Larry Strasser.

Command ten Germans or ten GIs in super-realistic man-to-man combat. New, improved edition is 40x faster than before!

**APPLE, C-64/128.**  
Advanced.  
By Roger Keating.

Last in the "Superpowers" series. With Soviet armor frozen solid, guerrilla counterattacks by NATO's Ski troops may save Norway.

**APPLE, ATARI.**  
C-64/128, IBM.  
Intro/Inter/Adv.  
By David Landrey & Chuck Kroegel.

"Family Computing" 1986 Strategy & Tactics Game of the Year. Also 1986 Charles Roberts Best Military Strategy Computer Game. APPLE disk is 64K.

Third in the "Superpowers" series: NATO forces must literally carve open a corridor across East Germany to rescue its trapped troops in Berlin.

**APPLE, C-64/128.**  
Advanced.  
By Roger Keating.

U.S.A.A.F.™ simulates the daylight bombing of industrial targets and weapons factories in Nazi-occupied Europe by the U.S. Army Air Force.

**APPLE, ATARI.**  
C-64/128.  
Advanced.  
By Gary Grigsby.

The Battle of Shiloh was Grant's first real trial by fire. It was a see-saw affair that could have gone either way. Now, you determine the outcome.

**APPLE, ATARI.**  
C-64/128, IBM.  
Intro/Inter/Adv.  
By David Landrey & Chuck Kroegel.

A grand-tactical simulation of the Civil War's bloodiest day. The battle unfolds in detail so real you'll feel like you're playing a miniatures game!

**APPLE, ATARI.**  
C-64/128, IBM.  
Intro/Inter/Adv.  
By David Landrey & Chuck Kroegel.

# WARGAMES

**1983 Charles Roberts Best Computer Game.** Britain and Germany clash in this North Africa Campaign, 1941-42.

**APPLE ATARI, C-64/128, IBM.**  
Intermediate.  
By Tactical Design Group.

Assume command of Easy Company of the First Infantry Division and retrace eight of their historical battles across North Africa and Europe.

**APPLE ATARI, C-64/128.**  
Intermediate.  
By Roger Damon.

Command a regiment of panzer grenadiers. Hitler's elite armored infantry against computer-directed Russian forces on the Eastern Front!

**APPLE ATARI, C-64/128.**  
Introductory.  
By Roger Damon.

Engage computer-controlled Viet Cong and North Vietnamese forces in six historical operations during America's most controversial "police action."

**APPLE ATARI, C-64/128.**  
Introductory.  
By Roger Damon & Jeff Johnson.

**APPLE ATARI, C-64/128.**  
Introductory.  
By Wayne Garity.

Captain an 18th-century warship in this game that uses arcade-like graphics and strategy simulation to bring back the age of fighting sail.

**ATARI, C-64/128.**  
Introductory.  
By Roger Damon.

"Annie" Magazine Outstanding Product 1987 Award. Play games that you design! Create your own maps, troops, weapons and battles.

**APPLE ATARI, C-64/128, IBM.**  
Intro/Inter/Adv.  
By David Landrey & Chuck Kroegel.

Note: APPLE disk is 64K.

**Family Computing' 1985 Best Game of the Year.** Fight for world domination during the Age of Imperialism.  
Note: APPLE disk is 64K.

**APPLE ATARI, C-64/128, ST.**  
Introductory.  
By Dan Cermak.

Would the Union have lost the Battle of Chickamauga if you had been in charge? Find out with this simulation of the South's last major offensive thrust.

## POLITICS

Who'll win in '88? Find out today with this realistic model of the race for the presidency. It also re-creates all the election years from 1960 to 1984.

**APPLE, C-64/128, IBM, ST.**  
Introductory. By Neilson Hernandez, Sr.

## FLIGHT EMULATOR

This flight and combat emulator lets you fly a B-24 Liberator and guide a bomber group in 19 missions to bomb the oil refineries in Ploesti, Rumania.

**APPLE, C-64/128, IBM, ST.**  
Introductory.  
By John Gray.

## DATA DISKS

The following data disks are available directly from SSI.

Please add \$2.00 to your total order for shipping and handling, California residents add applicable sales tax. In the Continental U.S., U.P.S. Blue service (faster shipping time) is available for \$4.00.

### Computer Quarterback 1985/86 NFL TEAMS DATA DISKS.

These contain player statistics for all 1985, 1986 and several historical NFL teams. Available for the Apple, Atari and C-64/128. Specify '85 or '86. \$14.95 each.

### Computer Baseball 1985/86 TEAMS DATA DISKS & STATISTICS COMPILER.

Update your major-league matchups with stats for all the 1985/86 AL and NL teams. A stat compiler is featured. It records all performance stats of games played using the disk. Available for the Apple, Atari & C-64/128. Specify '85 or '86. \$14.95 each.

### Kamfrungrupe SCENARIO DISK #1.

Five scenarios designed to be especially challenging for the avid Kamfrungrupe player. Available for the Apple, Atari, C-64/128 and IBM. \$19.95

### Professional Tour Golf COURSE MODULE #1.

This contains configurations and statistics for the "real" Oakmont and Merion courses, detailed down to the last bunker and pin location. Apple, C-64/128. \$14.95

## MORE DATA DISKS

The following data disk is offered by independent agents. Please do not order it through SSI!

### Computer Baseball ALL STAR TEAMS.

All-time, all star teams for each of the 26 major league teams on one disk (based on player's best year in the current era, 1946 and after). On the same disk are separate NL and AL all star teams for 1980 and each subsequent year. \$15.00 (includes postage; California residents add

applicable sales tax). Send your check or money order to:

**MDT Sports Company**  
1335 Pacific Street, Dept. A  
Santa Monica, CA 90405

Specify Apple, C-64/128 or IBM when ordering.

MDT Sports Company is not affiliated with SSI. We are not responsible for their products and announce them here for your information only.

## HINT SHEET FOLDER

Beginning in November, 1987 we will have a new SSI hint sheet folder available for purchase. The folder will contain hint sheets covering each of our current/fantasy games as well as answers to the most asked war-game questions. If you've ever wanted help with our fantasy or wargames, this folder could be what you're looking for! The cost of the Hint Sheet Folder is \$1.00 plus \$2.00 shipping and handling. To order one please send your check or money order for \$3.00 (California residents please add the appropriate sales tax to the \$1.00) to the address below. Please enclose your name and full mailing address with zip code.

### HINT SHEET FOLDER

Strategic Simulations, Inc.  
1046 N. Rengstorff Ave.  
Mountain View, CA 94043

## TECHNICAL HOTLINE: (415) 964-1200

If you have any technical questions or problems regarding any of our games, you can call our hotline number every weekday, 9 to 5 (Pacific Time).

## IN THE WORKS

Here are some new products that you can look forward to:

- A tactical game covering Napoleonic battles, using a greatly modified Antletam/Getysburg system.
- A strategic/tactical game on the current war in Afganistan.
- A grand-strategic game of World War II showing both the European and Pacific Theaters.
- A sequel to Question.

### Macintosh® Conversion:

## NEW GAMES

"The only way to destroy the Evil Book of Magic is to prevent it from ever being created!" Hearing these words from Mesron, the Great Wizard, you realize the adventure you thought had ended on Questron has only just begun. With an incantation, Mesron huris you back to the distant past, to a time before the Evil Book of Magic has been created by the six Mad Sorcerors. Your quest is to stop them from completing their vile work.

QUESTRON II™ offers an experience in fantasy gaming so awe-inspiring, it surpasses even its legendary predecessor! Its all-new, state-of-the-art graphics is nothing short of stunning. The beautiful visual presentation of the magical world — from the wilderness and towns to the countless characters and monsters — is truly breathtaking. Dungeon displays are shown in super-realistic 3-D perspective as well as in bird's-eye view for ease of play.

QUESTRON II. It's the closest you can come to real fantasy. By John and Charles Dougherty and Westwood Associates.

C-64/128: \$39.95; Apple, IBM: \$44.95; Atari ST, Amiga, Apple IIIGS: \$49.95.

APPLE II GS (May)  
AMIGA (June)  
Introductory.

STAR COMMAND™ is a multiple-character role-playing game that propels you to the far-flung future for excitement and adventure in the deepest reaches of space. You create a special force of eight star troopers by endowing each character with different levels of strength, speed, courage, intelligence, psychic power and other skills.

Your first mission from Armed Forces Headquarters is to locate the infamous BlackBeard and destroy his band of intergalactic pirates — a monumental task considering the thousands of planets that make up this game universe. With headquarters' guidance, you'll search planets and explore dungeon-like hideouts for clues to BlackBeard's home base and battle his minions in hand-to-hand and ship-to-ship combat.

With each successful foray, your crew will gain fighting experience, rise in rank and carry more powerful weapons such as thunderbolt rifles, ion guns and bacterial-intest grenades.

Upon completion of your first task (should you survive it at all!), you'll battle more than smugglers — you'll take on an entire alien, insectoid race! Your orders: Uncover enemy invasion plans and use them to destroy the insects' battle ships. STAR COMMAND. Where an entire galaxy becomes your personal battlefield. By Doug Wood. IBM: \$49.95.

IBM † (March)  
Introductory.

† Includes a 3½" disk.

## NEW CONVERSIONS

**PHANTASIA III: The Wrath of Nikademus™** is more than a sequel to PHANTASIA I and PHANTASIA II. It is the final confrontation between your band of six adventurers

and the Dark Lord Nikademus and his army of vile creatures. This pivotal game boasts a number of improved features, such as: A more detailed method of handling wounds; more strategy and combat options, such as the ability to move each character to different positions in the party; enhanced graphics; more potent magic spells; increased speed of play. Players of PHANTASIA I can use the same set of characters in this game. By Doug Wood. **\$39.95.**

**IBM (Now)**  
Introductory.

For centuries, while the rest of the land lay parched under the relentless sun or frozen by winter storms, the small island of Ymros enjoyed eternal springtime.

The source of this miracle was the SHARD OF SPRING™, a fragment of the enchanted LifeStone. The peace of this blessed isle was shattered when the avaricious sorceress Stridane stole the Shard. By threatening its destruction, Stridane exacted a ransom that plunged the people into abject poverty and hunger. Now, they beg you to gather five adventurers brave and resourceful enough to regain the Shard. Endow your characters with various combinations of speed, strength, intellect, endurance, and warrior/wizardly skills. Then guide them through monster-filled dungeons and treacherous lands. By Craig Roth and David Stark. **\$39.95.**

**IBM (Now)**  
Introductory.

In the year 2000, bacteriological warfare has ripped apart the very fabric of American civilization. Cities have turned into gangland prizes, the highways, into battlefields. As a patriotic leader of a road gang, you are asked by what is left of the Federal Government to locate eight scientists. Return them to a secret underground lab so they can develop a cure for the dreaded disease. ROADWAR 2000™ is an exciting solitaire game of survival in a brutal land. As you crisscross the nation's highways on your desperate mission, you must constantly battle mutants, cannibals, and rival road gangs. You can let the computer resolve combat quickly, or personally direct the action in great tactical detail. Fight to gain new recruits, vehicles, supplies, food, gas, guns, ammunition and medicine. In the race to save the U.S., these are more precious than gold.

By Jeff Johnson. **\$44.95.**

**IIGS (Now)**  
Introductory.

Have you ever dreamed of designing your own wargames or creating your own battlemaps, troops and scenarios unfettered by the constraints of time and reality?

Now you can with WARGAME CONSTRUCTION SET™. As the name implies, this unique simulation lets you design and play a nearly limitless number of wargames that are as simple or complex as you desire. Start by drawing your map; place roads, rivers, bridges, woods, buildings and mines in any arrangement and scale you like. Create your combatants by assigning different attributes such as unit type, weapon type and firepower, movement and strength points. Span history by fighting Ancient to modern wars, or suspend reality and engage in fantasy or science-fiction battles. If you don't want to make up your own scenarios, we've provided eight ready-to-play games. By Roger Damon. **ST: \$34.95. IBM: \$39.95.**

**ST (Now)**  
**IBM (April)**  
Introductory.

## NEW CONVERSIONS

**SONS OF LIBERTY™** consists of three epic Revolutionary War battles. Each increases in complexity and scale, and can be fought under Introductory, Intermediate or

Advanced rules. You can start with the Battle of Bunker Hill, a small but critical engagement. The Battle of Saratoga is a more complex scenario and was the turning point of the Revolution. This major British defeat convinced France that it was an opportune time to declare war on England. The Battle of Monmouth — the largest of the three — showed Washington's leadership and ability to keep his army together against the adversities of weather and war. By David Landrey and Chuck Kroegel. **C-64: \$34.95. Apple, Atari, IBM: \$39.95.**

**APPLE/64K\* (Now)**  
**C-64/128 (Now)**  
**ATARI (March)**  
**IBM (March)**  
Intro/Intermediate/Adv.

Each unit symbol represents either one tank/gun or a squad of infantry; each square of the 60 x 60 map, 50 yards. The action is so detailed, you'll feel like you're caught in the German Army blitzkrieg! Three theaters are covered: The entire Eastern Front, the Western Front in 1940, and the North African campaign.

This tactical game includes practically every ground weapon used in those theaters. Choose between simulating single battles or an entire campaign. The former lets you play against another player or the computer. Use the historical setups provided or create your own. The campaign scenario pits you against the computer; it creates the maps and determines the type of battles. Try to fight and win as many battles as possible. By Gary Grigsby. **Apple: \$49.95. C-64: \$44.95.**

**APPLE/64K\* (Now)**  
**C-64/128 (Now)**  
Advanced.

**B-24™** is a flight/combat emulator that challenges you to fly 19 dangerous bombing raids over the Axis' oil refineries at Ploesti, Rumania. You command the lead B-24 Liberator, which will determine the course of action for an entire formation of forty B-24's. But first, you must learn to fly this cantankerous bomber. Practice taking off, flying in formation against flak and enemy fighters, bombing targets and landing. Once you're ready, it's time to bomb Ploesti.

**APPLE/64K\* (Now)**  
**IBM (April)**  
Introductory.

Before you take off, check the wind forecast to help you determine how much fuel and how many bombs you can carry. Your first goal is to race to your fighter rendezvous points. The escort fighters will be waiting for you at a specified time and place. Your job is to reduce Ploesti's total oil production below what was accomplished historically. By John Gray. Includes graphics routines from the Graphics Magician® by Polarware™. **\$34.95.**

If there are no convenient stores near you, VISA and MC holders can order direct by calling (415) 964-1353. Or send your check to: SSI, 1046 N. Rengstorff Ave., Mountain View, CA 94043. California residents: add applicable sales tax. Please specify computer format and add \$3.00 for shipping and handling. In the Continental U.S., U.P.S. Blue service (faster shipping time) is available for \$5.00.
